

Quick Guide – Creating a Kiosk Advertising Schedule

Managing Existing Schedules

Actions:

On the main Schedules page, select from the following options:

-  **Edit** – Selecting this button will launch the editor screen for a schedule. Alternatively, you can just select the title of the schedule.
-  **Activate/Deactivate** – Selecting this button will toggle the state of the schedule between activated and deactivated.
-  **Delete** – Selecting this button will prompt the user to delete the schedule. Select **Ok** to delete the schedule or **Cancel** to cancel out of the delete process.
-  **Preview Schedule Video** – Selecting this button will display a preview of the content is being displayed for the selected schedule.
